### Why Does Cheapoair Charge a Service Fee?

Cheapoair charges a small service fee for several reasons:

1. **Booking Convenience**

The platform integrates hundreds of airlines worldwide, saving you time and effort. The service fee helps maintain this technology.

2. **Customer Support Access**

The fee supports 24/7 customer service operations. If you call **1-855-546-5045**, an agent is available to assist with changes, cancellations, or special requests.

3. **Secure Payment Systems**

Cheapoair invests in fraud protection and secure payment gateways, and the service fee covers those costs.

4. **Operational Costs**

Running a travel platform requires staffing, marketing, and software. Service fees ensure Cheapoair remains competitive.

👉 If you’re unsure about fees or want clarification, the fastest option is to call the **Cheapoair phone number 1-855-546-5045**.
