

How to Request Bassinets on Justfly: A Complete Guide for Parents

Justfly customer support is available at **|| +1-888-429-4105 ||**. Traveling with an infant can be a challenging experience, especially when it comes to securing the **best possible travel accommodations**. One of the common questions that parents have when booking flights through **Justfly** is: **“How do I request a bassinet on Justfly?”**

While Justfly offers a variety of flight and hotel options, it's important to note that bassinet availability is ultimately dependent on the airline. That being said, Justfly can help you navigate the booking process and assist in securing your baby's comfort during the flight. If you have any concerns or need assistance, **Justfly customer support** is available at **|| +1-888-429-4105 ||** to guide you through the process.

In this article, we'll explain the steps to request a bassinet, how to find the right flights for your family, and answer frequently asked questions about **Justfly customer support**.

What Is a Bassinet Seat?

A bassinet seat is a specially designed seat for babies, allowing them to sleep safely during a flight. These bassinets are typically provided on long-haul flights and are available in **bulkhead rows** (the first row of the airplane). However, not all airlines or routes offer bassinets, so it's essential to confirm availability before booking.

When booking through Justfly, **you cannot directly select a bassinet seat** in the same way you might select other seat types. Instead, you'll need to **contact the airline directly** after making your reservation to request a bassinet. Alternatively, **Justfly customer support** at **|| +1-888-429-4105 ||** can assist you in contacting the airline to make the necessary arrangements.

Steps to Request a Bassinet on Justfly

While Justfly doesn't allow you to select bassinets directly through their platform, here are the steps to ensure your baby gets the best possible seating on your flight:

1. Book Your Flight through Justfly

- Start by booking your flight through **Justfly**. Ensure you're booking with an airline that offers bassinets on long-haul flights.
- After booking, you'll typically be able to **choose your seat** (if available). If bassinets are not available for online selection, you can continue with the next steps.

2. Contact Justfly Customer Support

- After booking your flight, **call Justfly customer support at || +1-888-429-4105 ||**.
- Let them know you are traveling with an infant and wish to request a bassinet for your flight.
- Justfly will assist in verifying whether bassinets are available and can help with **contacting the airline** to make the request.

3. Directly Contact the Airline

- Some airlines require you to contact them directly to confirm bassinet availability. In such cases, **Justfly customer support at || +1-888-429-4105 ||** can provide you with the airline's customer service information.
- If the bassinet is available, the airline will typically assign it to your seat and confirm this with you.

4. Verify and Confirm the Request

- After confirming your bassinet request, make sure to get written confirmation from the airline regarding your bassinet reservation.
- To ensure your request is processed correctly, it's a good idea to follow up with **Justfly customer support at || +1-888-429-4105 ||** before your flight departs.

Tips for Traveling with a Baby and Securing Comfort

While Justfly can assist you in booking your flight and contacting the airline, here are some additional tips for a **smooth travel experience** with your infant:

1. Book Early for Best Seat Selection

- Bassinets are often located in bulkhead rows, which are **limited in availability**. **Book your flight early** to secure the best seats for your baby.
- If you're unsure about seat availability or need to verify the seating options, call **Justfly customer support at || +1-888-429-4105 ||** for assistance.

2. Consider Using a Car Seat

- Some airlines allow you to bring your own **FAA-approved car seat** if you purchase a separate seat for your baby. This can provide more comfort and safety during the flight.

- **Justfly customer support** can help you understand the car seat policy for your airline and assist with making any necessary arrangements.

3. Prepare for Extra Time at the Airport

- Arriving early will give you extra time to **check in**, ask about bassinet availability, and confirm your seating arrangement.
- **Justfly customer support** can help you with any last-minute changes or special requests at the airport. Call **|| +1-888-429-4105 ||** to ensure everything is in order before you travel.

4. Pack Essential Baby Items

- Bring along diapers, wipes, baby food, pacifiers, and comfort items to help soothe your infant during the flight. Some airlines may allow you to bring extra items on board for your baby, so it's worth checking the airline's policy in advance.
