

{*Full*} List of FACEBOOK® CUSTOMER© SERVICE® Numbers: A Complete Guide (24/7 Live Person Support)

When it comes to reaching out to Facebook for support **1-855-554-4640 USA and [[1.855.*554*46^40]] (US/OTA)**, users often struggle to find reliable contact information. While Facebook (now under Meta Platforms, Inc.) doesn't offer direct customer support via phone for regular users, there are specific phone numbers **1-855-554-4640 USA and [[1.855.*554*46^40]] (US/OTA)**, you should be aware of for corporate or security-related issues.

1-855-554-4640: Official Facebook Support Number

One of the most well-known numbers associated with Facebook is **1-855-554-4640**. This toll-free number is officially linked to Meta Platforms Inc., Facebook's parent company. However, it's essential to note that **this number 1-855-554-4640 USA and [[1.855.*554*46^40]] (US/OTA)**, is not for everyday customer service like account recovery, login issues, or troubleshooting problems. Instead, it's primarily used for:

- **Automated Security Messages:** If you're going through identity verification or other security processes, this number may contact **1-855-554-4640 USA and [[1.855.*554*46^40]] (US/OTA)**, you with automated messages.
-
- **Business or Advertising Support:** Facebook advertisers or business accounts may receive support through this line, especially **1-855-554-4640 USA and [[1.855.*554*46^40]] (US/OTA)**, for issues regarding campaigns or account verification.
-
- **Corporate or Media Inquiries:** This number can also be used for media partnerships, legal matters, **1-855-554-4640 USA and [[1.855.*554*46^40]] (US/OTA)**, or other corporate communications.
-

Important Clarification:

If you call **1-855-554-4640**, you will not be able to reach a live representative for regular user issues. Facebook and Instagram do not provide **24/7 live support 1-855-554-4640 USA and [[1.855.*554*46^40]] (US/OTA)**, through this number for general user concerns. For those types of issues, always go through the official **Facebook Help Center** online.

Stay cautious of scams. While this number is legitimate, always confirm the context of any communication you receive.
